BREAST IMPLANTS WARRANTY

Recreating harmonious bodies for a new vision of rebirth.

ADVANTAGES OF OUR WARRANTY

- 1 - Lifetime product replacement warranty in event of rupture of implant shell not related to surgical technique that requires another surgical operation from the date of original implantation.
- 2 - Lifetime product replacement warranty due to a severe capsular contracture (grade III or IV) from the date of original implantation.
- 3 - Compensation of up to 1,000 € or its equivalent in local currency, in case of rupture during the first 5 years after the date of implantation.
- 4 - Change of volume and model* possible under certain conditions.
- 5 - Applies to all pre-filled silicone breast implants manufactured by Groupe Sebbin since 1st January 2017.

Any patient carrying pre-filled
silicone breast implants manufactured
by Groupe Sebbin since 1st January 2017
automatically benefits for free
from this warranty.

*In case of change of model, the difference will be billed if the price of the new model is higher than that of the model removed.

PATIENT GUIDELINES IN EVENT OF A CLAIM

- Locate your Groupe Sebbin Warranty Card.
- Arrange an appointment with your surgeon for a clinical appraisal to determine if your case is covered under the Groupe Sebbin Warranty.
- Your surgeon will manage the steps to activate the warranty. After analysing implants and documentation, Groupe Sebbin may or may not accept this request.
- After your surgeon has completed your revision surgery with a replacement Groupe Sebbin breast implant, you will receive a new Warranty Card.

Ask your surgeon for your personal warranty card after surgery:
